**VERIFICATION OF LICENSURE**

Verification of licensure is available on the Board’s website (Laptboard.org/LicenseSearch). You may search by licensee name, license number, or city. The information reported is the licensee’s name, work address and phone number, type of license, license status, record of other jurisdictions, license issue and expiration dates, and public disciplinary actions. This report may be printed for your records.

If you have ever been licensed in Louisiana and are applying for licensure in another state, you may be required to provide verification of licensure from the Louisiana Physical Therapy Board. Most Boards require that verification be sent directly to them, rather than to the applicant. Please check with the Board you are applying to before you contact us.

**A fee of \$40 per state** shall be paid to the Louisiana Physical Therapy Board for each written verification that is required (*Louisiana Physical Therapy Board Rule §501.A.*). The Board will send an official verification with the Louisiana state seal to the other state(s) as requested. You must submit a separate form for each requesting state Board. Verifications will not be processed until the completed request form and payment is received. Verifications are mailed within three business days of receipt of the request and payment.
