A. Fail to renew your license by April 30, 2016. If you are unable to complete all coursework required for renewal by April 30, 2016 or are unable to complete the coursework by March 2016 due to prior commitments, you must register for and complete the coursework before the end of the license period. This means that you must complete all coursework listed on your renewal form before the end of the license period. In other words, you cannot renew in February if you need March 2016 coursework listed on the renewal form because at the time of renewal, you had not completed all coursework required to renew your license prior to March 31, 2016. Two possible solutions are to:

Worst case scenario:
- Complete all coursework listed on your renewal form before the end of the license period.

What if I need more live/traditional hours to renew my license?

Licensees may now earn credit for mentoring physical therapists in residency and fellowship programs, similar to the requirements for clinical instruction. The board has recommended that licensees submit exemption requests as early as possible, as additional information may be requested. Exemptions are granted or denied by a majority vote of the board. Each request is reviewed by the board members at the regularly scheduled board meeting. It is important to submit your request immediately after the licensee becomes aware of the facts or circumstances upon which the exemption is based. Licensees are encouraged to submit their requests online at www.laptboard.org.

What if I mistakenly entered a course twice?

You may submit a written request to the board for an exemption at www.laptboard.org. To fulfill its mission to protect the public, the Board has launched a statewide Public Service Announcement (PSA) campaign. Get involved with the board in any way that you can, if you are not already. You will be an important part in keeping the public protected while not adding unnecessary obstacles that could negatively impact patient care.

The worst case scenario is that you cannot take the number of traditional/live course hours required for renewal (see Step 2: Review Timeframes). Select "Archive Course" for the courses that do not fall within the timeframe allowed for renewal.

Access your account to view "Current Courses" and "Past Courses". You will notice a "Delete Course" button next to the course.
