IN THE MATTER OF

TOMAS BRYANT, PT

LICENSE NO. 07511

CONSENT ORDER

NUMBER: 2016-I-018

CONSENT ORDER

Mr. Tomas Bryant, PT (“Mr. Bryant” or “Respondent”) initially came to the attention of the Louisiana Physical Therapy Board (“LPTB” or “Board”) on August 15, 2016 when a complaint was submitted to the Board office therein alleging that the Respondent was practicing physical therapy below the standard of care and fraudulently billing for physical therapy home health treatments. Thereafter, an investigative committee was created pursuant to Board Rule §123. Records were subpoenaed from multiple home health agencies for which Respondent provided physical therapy home health services. Review of subpoenaed medical records revealed that on multiple occasions respondent fraudulently billed for home health services and practiced physical therapy below standard. On November 3, 2016 Respondent and his legal counsel met with the Investigative Committee at the Board office located in Lafayette, LA at which time Respondent cooperated fully with the Investigative Committee. At the Informal Conference, Mr. Bryant assured the Investigative Committee that he understood the serious nature of the allegations, had reduced the number of patients that he saw in one day, and was practicing in a manner that was at or above the standard of care. On or about December 8, 2016, the Investigative Committee received information from Thompson Home Health, Mr. Bryant’s employer, that Mr. Bryant was terminated on December 1, 2016 following a patient complaint that Mr. Bryant spent an inadequate amount of time conducting an initial evaluation on November 29, 2016. Thereafter Respondent was offered and accepted a Consent Order acknowledging violations of the LPTB Practice Act and Board Rules and agreeing to appropriate disciplinary action.
FACTUAL BASIS FOR CONSENT ORDER

1. Respondent is, and at all times pertinent hereto, was a physical therapist licensed by the Board as evidenced by license number 07511.

2. On or about August 15, 2015 the Louisiana Physical Therapy Board received a complaint against Mr. Bryant therein alleging that for years Mr. Bryant has for years routinely treated sixteen (16) to eighteen (18) patients daily providing physical therapy treatment that is less than fifteen (15) minutes in duration. The complaint further alleged fraudulent record keeping and billing.

3. An investigatory committee was formed which consisted of the Board Executive Director, Charlotte Martin; Board Attorney, Courtney Newton; and Board Investigating Member, Elizabeth Austin.

4. The investigatory committee conducted a confidential investigation which included issuance of multiple subpoenas and review of numerous patient records and treatment schedules.

5. Subpoenaed physical therapy records establish that Mr. Bryant provided physical therapy home health services on July 21, 2016 for four (4) different companies, three (3) home health and one (1) rehabilitation hospital, providing home health physical therapy treatment to twenty (20) patients each at a different location.

6. Physical therapy treatment records dated July 21, 2016 also indicate that Mr. Bryant would depart a patient’s treatment location at the exact time he arrived at another patient’s treatment location on seven (7) different occasions. Comparison of documentation from each of the four (4) companies for which Mr. Bryant provided physical therapy services establish that treatment and travel times were fraudulently entered by Mr. Bryant as Mr. Bryant recorded the same departure and arrival time with zero (0) time entered for travel on multiple occasions.

7. The investigatory committee performed the same analysis for records dated February 9, 2015. The documentation dated February 9, 2015 indicates that on that date Mr. Bryant treated sixteen (16) patients for two (2) different companies. The documentation also indicates the exact same time for departure and arrival times at four (4) different patient locations.

8. Review of patient records reveal that Mr. Bryant’s physical therapy treatments provided to patients seen on both July 21, 2016 and February 9, 2015 were below minimum standard physical therapy treatment necessary for the improvement of deficits noted on evaluation. Minimal objective measures were performed on evaluation or subsequent visits to quantify deficits, need for treatment, or progress in order to justify need for continued treatment.

9. Following completion of the investigation, the investigatory committee concluded that the
allegations within the complaint were valid.

10. On November 3, 2016 Mr. Bryant and his legal counsel met with the investigative committee at the Board office located in Lafayette, L.A. At the Informal Conference, Mr. Bryant assured the Investigative Committee that he understood the serious nature of the allegations, had reduced the number of patients that he saw in one day, and was practicing in a manner that was at or above the standard of care.

11. On or about December 8, 2016, the Investigative Committee received information from Thompson Home Health, Mr. Bryant’s employer, that Mr. Bryant was terminated on December 1, 2016 following a patient complaint that Mr. Bryant spent an inadequate amount of time when conducting an initial evaluation on November 29, 2016.
